DETAILED ACTION

Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in
5 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is
eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e)
has been timely paid, the finality of the previous Office action has been withdrawn pursuant to
37 CFR 1.114. Applicant's submission filed on February 25, 2004 has been entered.

Amendment

2. Receipt is acknowledged of the amendment filed on February 25, 2004. In the
amendment claims 6, 30, 33 and 36 were canceled. Currently, claims 1-5, 7-29, 31, 32, and 34
remain for examination.

Drawings

3. As previously indicated, the application was filed with informal drawings. The
application having been allowed, formal drawings are required in response to this Office Action.

Allowable Subject Matter

4. Claims 1-5, 7-29, 31, 32, and 34 are allowed.
5. The following is a statement of reasons for the indication of allowable subject matter: the
claims are directed at a terminal structure and operation of the terminal, which accepts a smart

card. As previously cited, smart card accepting terminals are generally known in the art and widely used in various embodiments such as ATM or POS terminals, etc. However, the cited references, taken alone or in combinations, fails to teach a particular structure of card accepting terminal comprising an environment services software layer which are dependent upon at least one of the operating system and the hardware of the terminal; a terminal application, and application programming interface (API) which enables platform independent portion of the terminal application to communicate with the environment services software layer as set forth in the claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
